

Call for Proposals

We invite submissions on any topic related to religion, colonialism, and postcolonialism. We are particularly interested in papers that explore in some fashion the “post” in postcolonial.

Mission

This Group presents an opportunity for scholars in various subfields of religious studies to explore a topic whose relevance cuts across specializations. We bring together scholars treating different time periods, geographical regions, and traditions in working to strengthen our field’s role in the study of empire, colonialism, and postcolonialism.

Anonymity of Review Process

Proposer names are **visible** to Chairs but **anonymous** to Steering Committee members.
