A complete listing of all AAR, SBL, and Additional Meetings session information, including participant names, paper titles, room locations, and abstracts, will be available in the online *Pro gram Book*
on the
 AAR website
by July 1. The keyword, date/time, and other search features will allow you to find the sessions you are most interested in attending.

A copy of the *Annual Meeting Program Planner* will be mailed in late August to all current members of the AAR. Please allow 3–4 weeks for delivery. The
Program Planner
will contain program highlights, as well as listings of all AAR and Additional Meetings sessions, and ads from the publishers in our exhibit hall.

Annual Meeting name badge materials will be mailed in early September.

The *Annual Meeting Program Book* will be distributed to all Annual Meeting attendees onsite in San Francisco. This is the familiar publication that includes complete session listings of AAR and Additional Meetings with up-to-date times, room locations, session and participant indices, hotel maps, and advertising about discounts in the Annual Meeting exhibit hall. A companion volume, the   *At-A-Glance*, will give an abbreviated listing of all AAR, SBL, and Additional Meetings sessions.
