

Beginning in 2012, current AAR membership will be required to submit a proposal in response to the Call for Papers. Membership is only required for the submitter. It is not required for all participants in a prearranged paper or panel session at the time of submission, though if the session is accepted, all participants must become members of the AAR by June 15.

Requests to invite a nonmember whose field is not in religion and who is not located within a religion department or program should be submitted to the Director of Meetings at [meeting@aar.org](mailto:meeting@aar.org).
