The New England–Maritimes Region welcomes proposals from regional members for cosponsoring conferences, teaching workshops, and salon meetings. The Region does not hold an Annual Regional meeting, but instead provides opportunities for members to get involved in regional activities in a variety of ways.

## Cosponsoring Conferences

NEMAAR will function as a cosponsor of conferences proposed by members around the region. NEMAAR's contribution will involve grants of up to \$800 to help support conference-related costs. Proposals should be sent to June-Ann Greeley, Sacred Heart University, [This e-mail address is being protected from spambots. You need JavaScript enabled to view it](mailto:jgreeley@shu.edu), and should include a conference title, an abstract, a list of projected speakers, schedule, contact person, and a budget that indicates how the NEMAAR grant will be used. If submitted by graduate students, a faculty mentor must be identified. Proposals have a rolling deadline.

## Teaching Workshops

The topics of greatest interest to our members include course development and teaching skills. If you would like to organize a teaching workshop, NEMAAR will provide grants of up to \$800 to help support conference-related costs. Proposals should be sent to June-Ann Greeley, Sacred Heart University, [This e-mail address is being protected from spambots. If submitted by graduate students, a faculty mentor must be identified. Proposals have a rolling deadline.

## Salon Series

A lunch and/or dinner series, held in different parts of the region, focusing on the work of regional authors (these can be works in progress). NEMAAR will provide grants of up to \$400 to help support related costs. Proposals should be sent to June-Ann Greeley, Sacred Heart University, [This e-mail address is being protected from spambots.
